## Castro Newspaper Building Gunned From Car

HAVANA, May 31 (AP) Gunmen today fired from a speeding car at the building housing the semi-official newspaper Revolucion. This was the second attack in two days on publications supporting Prime Minister Fidel Castro.

Several shots from automatic weapons struck the Revolucion building. No one was injured. The gunmen escaped.

Revolucion is the official organ of Castro's 26th of July Movement. Yesterday the front of the building housing the pro-Castro magazine Bohemia was peppered by submachinegun fire from a passing car.

Meanwhile, a nother pro-Castro newspaper accused the United States of setting up gowerful radio transmitter in the Carlbbean area to "conilat" the Cuban revolution.

C: Liberacion, official organ of the 26th of July Movement in Las Villas Province, charged that the station was set up in violation of international agreements. It gave this account:

The 50,000 watt station, to be known as Radio Swan, International Woice of the Caribbean," will inaugurate English-Spanish programs Wednesday on 1160 kilocycles. It is located on Swan Island, "30 miles south of the United States."

(Available records show a Swan Island off the Honduran coast owned by an American family named Smith. It has been used as a U. S. weather station.)

Cuban military officials today declined to confirm a report by the Miami Daily News

HAVANA, May 31 (AP) that a raiding party led by ing of air force officers who gime and arrested them this Gunmen today fired from a Raul Castro broke into a meet- were conspiring against the re- weekend.
